

## Community Benefit Room Costs

To use for 2022 CBISA reporting - multiply number of hours  
room is unavailable for hospital use x hourly room cost below.  
Add total to Indirect Expenses line in CBISA Occurrence screen.

|                             | <u>Hourly Room Cost</u> |
|-----------------------------|-------------------------|
| Burson A                    | 22.58                   |
| Burson B                    | 19.08                   |
| Total Burson Room           | 41.66                   |
