

Give The Gift of Good Health: Encourage Mammograms This Mother's Day

This Mother's Day, The Bellevue Hospital invites you to think of all the important women in your life and remind them (and yourself) to make health and wellness a priority by scheduling a mammogram. Early detection with a yearly mammogram is the best defense against breast cancer.

Join us on Facebook and visit our website at www.bellevuehospital.com. Upcoming events and programs listed inside. Please contact the Marketing Department at 419.483.4040, Ext. 4299 with any questions.

TBH is advancing the fight against breast cancer with our MAMMOMAT Revelation 3D mammography system, an innovative technology designed to overcome barriers to breast cancer detection and compliance.

The MAMMOMAT Revelation system offers:

- Wide-angle imaging for greater accuracy
- Smart automation for personalized compression and less discomfort
- Better detection to reduce the chance of being called back for additional screenings

Call 419.483.4040, Ext. 3067 to schedule your appointment.
