New Employees

Please welcome these new employees to the Family of The Bellevue Hospital:

Deborah Cunningham, ICU

Kari Poore, Patient Access

Kayla Schaffer, ER

Tonya Schaffer, Lab

Jennifer VanHatten, ER

Employee Spotlight

Congratulations to Wanda Wyant who celebrated 20 years of service this May!

Wanda came to The Bellevue Hospital (TBH) in June of 1990 as an Environmental Services Tech. She transferred to the Registration Department in September of 1990, where she stayed until she left after her first child was born in 1996. Wanda returned to TBH in May, 1997 in the Registration Department. She later transferred to the Specialty Clinic area.

Wanda Wyant

Wanda and her husband have been married for 22 years. They have a 21 year old daughter and an 18 year old son.

Wanda was born at TBH. She enjoys spending time with her family and friends. Every Sunday she cooks a big family dinner and enjoys the "family day". Her favorite food is BBQ. She enjoys running. She has completed many 5k marathons and one 10k marathon. If she could be anywhere, she would choose Florida since she loves being outdoors. Wanda's most memorable trip was to Jamaica. Her in-laws sent her and her husband for a 10 year anniversary trip to Jamaica. Her plans for the future include buying an RV and traveling!

Thank you Wanda for your 20 years of service.

Dawn Bova named TBH nominee for OHA Award

Dawn Bova, MSN, NP-C, with The Bellevue Hospital's (TBH) Family Health Services and Occupational Health Department, is TBH's nominee for the 2017 Ohio Hospital Association's (OHA) Albert E. Dyckes Health Care Worker of the Year Award.

The Albert E. Dyckes Health Care Worker of the Year Award has been given annually since 1996 to one Ohio caregiver who personifies a leader, gives back to the community, and routinely goes beyond the call of duty and has overcome odds to succeed.

The hospital staff nominated Bova for the award with the following information:

"Dawn is a natural leader who leads by example. She has been a nurse for the past 31 years and has worked at The Bellevue Hospital for the past 27 years. During this time she has worked in various locations and expanded her knowledge."

In addition to Dawn's nursing career, she actively volunteers her time with OhioCAN (Change Addiction Now) as the Sandusky County Coordinator. OhioCAN's goal is to educate, embrace and empower those affected with or by substance use disorders and to reduce the stigma of overdoses. Dawn was drawn to helping families dealing with substance use disorder because of her and her family's personal experience in substance use disorder and recovery efforts. Her son, Bradley, recently lost his courageous battle with addiction. Dawn is trying to turn her son's death into something positive by bringing awareness, education and resources to others.

Dawn will represent TBH at the OHA Recognition Dinner in Columbus in June.

Members of The Bellevue Hospital's Executive team congratulate Dawn Bova on her nomination for the OHA Albert E. Dyckes Healthcare Worker of the Year Award.
