### Employee Spotlight

Elizabeth Griffin celebrated 3 years with TBH on August 18<sup>th</sup>! Elizabeth is an RN on the Med/Surg night shift. Elizabeth was born in Indiana and is a fan of the Fighting Irish! She graduated from Terra Community College and received her BSN from Indiana Wesleyan University in 2016.

Elizabeth Griffin

Elizabeth has a poodle named Shadow and a rooster named Rusty. Her favorite junk food is Reese's Peanut Butter Cups and her favorite movie is Princess Bride. Elizabeth would love to go to the Holy Land or on a castle tour in Scotland and Ireland. If she could be anywhere right now it would be in a cabin, having coffee with her Auntie.

Elizabeth finds it sweet, but funny, that some of her elderly patients try to fix her up with their grandsons! Elizabeth is contemplating furthering her education either as a certified nurse midwife or a sexual assault nurse examiner (SANE nurse). Thank you Elizabeth for your 3 years of service!

### New Employees

Please welcome these new employees to the Family of The Bellevue Hospital:

Christopher Akins, Dietary

Cheryl Bledsoe, ER

Kimberly Nebergall, ER

Margaret Schaffer, Patient Financial

Collin Stouter, Med/Surg

Kayleah Thorbahn, Diagnostic Imaging

### TBH Launches NEW WEBSITE!

We are excited to announce the launch of the hospital's brand new website, available at [www.bellevuehospital.com](http://www.bellevuehospital.com).

Our goal with the new website is to provide our community members an easier way to learn more about the hospital, read about projects and highlights, view upcoming events, find a physician or program of need or interest, and learn about local resources that are available!

The new website has also been redesigned for easier access to online bill pay.

We hope you will check out the new website and let us know what you think! Contact the Marketing Dept, Ext. 4899 with any questions or comments.

### Only Two More Garden Markets Left This Season!

The summer is winding down, so mark your calendar for the remaining Drown's Garden Markets: August 30 and September 13.

Seasonal fruits and vegetables will be available from 9 a.m. until 2 p.m. outside the Main Station Café. Payroll deduction is available for qualifying employees.

### TBH Community Garden is Seeing Results

Now in its sixth year, the Community Garden project is as successful as ever!

With the help of several volunteers and Master Gardeners, nearly three tons of produce has been grown and donated over the past six years.

This season alone, the gardens have produced over 200 pounds of produce and herbs, including lettuce, asparagus, sweet potatoes, strawberries, apples, okra, cucumbers, squash, beans, peppers, cabbages, oregano, basil and much more!

Thank you to Patti Keller, RD, LD, CDE and the many TBH employees and volunteers who have generously helped water, weed and maintain our community garden this season.

The garden committee is always looking for more members to help out! If interested in learning more about the garden and how you can help, contact Patti Keller, Ext. 4214.
